SOFTWARE FOR SMARTER OPERATIONS
Support Your Assets and Your Members

The assets in your facilities are more than just equipment, they’re investments that will support your members for years to come. From HVAC units to lighting, gym equipment and more, we have a solution to help you protect it and extend its working life.

Dude Solutions provides easy-to-use and mobile cloud-based operations management software designed specifically for clubs, associations and worship facilities.

We’re here to help you do the best work of your life.

“We are here to help you do the best work of your life.”

“Dude Solutions has given us the tools to improve our facility maintenance program while tracking, recording and analyzing past performance history. My experience has been extraordinary. It’s a must for any facility manager.”

— Brian Donohoe, Bethesda Country Club

“Dude Solutions gives us the tools to communicate with our centers in a way that we couldn’t before, and that we can’t without it.”

— Ryan Alford, YMCA of Middle Tennessee
BUILT FOR THE BUSINESS YOU’RE IN

At Dude Solutions, we’ve worked with every size of membership-based organization, from almost every industry, to help them achieve operational excellence for nearly two decades.

We know what it takes to make you successful, and how important it is to make your members happy. We are proud to serve membership-based organizations of all types and sizes.

Clubs > YMCAs > Places of Worship

SIMPLIFY YOUR WORK SO YOU CAN IMPROVE IT

ANALYZE YOUR PROGRESS SO YOU CAN GROW IT

PROJECT YOUR BUDGET SO YOU CAN SAVE IT

SHARE YOUR SUCCESS SO YOU CAN PROVE IT

Better work, better lives.
A solution for every operations challenge

We deliver the tools you need in one platform to boost member satisfaction.

For nearly two decades, Dude Solutions has created innovative software to empower operations leaders.

**WORK & ASSET MANAGEMENT**
Get out of that reactive maintenance rut and get clear about the state of your operations so you can make smarter decisions about your institution’s future. Manage assets, inventory, work orders, work history and preventive and predictive maintenance all in one place.

**CAPITAL FORECASTING**
Have the data and confidence you need to make daily decisions that protect the future of your operations. Move from wherever you are today to managing a capital plan that is feasible and effective.

**ENERGY MANAGEMENT**
Have clear insight into the current state of your energy usage and communicate benchmarks to your team and stakeholders. Reduce your energy spending and carbon emissions with expert help.

**EVENT MANAGEMENT**
Take the stress out of planning special events. Organize your needs from room bookings to attendees to catering quickly and easily with interactive calendar tools.
DEEPER INSIGHTS FOR SMARTER DECISIONS

Better data helps you operate smarter

Dude Solutions makes it easy to gather your data, then gives you the tools to put it to work for you. From budget and staffing to energy consumption and asset management, we’ll help you:

- Manage all aspects of maintenance workflow
- Streamline workflows and improve efficiency
- Prove the worth of your work to key stakeholders
- Improve budgeting and capital planning processes
- Arm yourself with the data you need to make better decisions

Backed by two decades of expertise, we’ll help guide you every step of the way and ensure that your solution is supporting your most important goals.

SUPPORT YOUR ASSETS AND YOUR MEMBERS

Protect your facilities for years to come

We want to help make your facilities better, the kind of place where individuals and families thrive. No matter what kind of facility you manage, you know the challenges involved in keeping them safe, secure, and well-maintained.

- Improve member experience by maintaining a well-run facility
- Mitigate risk to ensure safety throughout your facility and grounds
- Improve the life of your buildings; control long-range planning
- Make data-driven decisions with enhanced reporting capabilities
- Improve energy efficiency and lower utility bills
- Leverage the insight of leading organizations in the industry
THE DUDE IS BESIDE YOU

With Personal Service That’s Got Your Back

We provide our best services, so you can do your best work. That’s why we offer services that make a difference in your operations.

- Implementation support with online classes and group training (on-site option available)
- Professional services including facility condition assessments, data gathering and input, and preventive maintenance setup
- Legendary ongoing support via phone, email or chat

The Power of the Cloud

Private, secure and available around the clock, your operations management system – and your data – can be accessed from virtually any web-enabled device, anywhere in the world. With Dude Solutions, you’ll also benefit from a constant flow of product innovation, and, of course, our legendary support.
