

**MASTER SUBSCRIPTION AGREEMENT**

This Master Subscription Agreement, together with any addenda, (this “Agreement”) shall govern Subscriber’s (as defined below) access and use of the Cloud Services (as defined below) provided by Brightly Software (“Company”). This Agreement may be accepted by either clicking a box indicating acceptance, by reseller purchase, by executing an Order that references this Agreement or by otherwise accessing or using an Offering. In the electronic service or Offering, Subscriber will be prompted to accept these terms by clicking a button. Clicking the button or using any Offering indicates that Subscriber has read, understood, and accepted this Agreement. If Subscriber does not accept, Subscriber must not use any Offering and must return any Offering to Company or its authorized reseller or partner prior to use.

IF THE INDIVIDUAL ENTERING INTO THIS AGREEMENT IS ACCEPTING ON BEHALF OF A COMPANY OR OTHER LEGAL ENTITY, THE INDIVIDUAL REPRESENTS THAT THEY HAVE THE AUTHORITY TO BIND SUCH ENTITY AND ITS AFFILIATES TO THE TERMS AND CONDITIONS OF THIS AGREEMENT, IN WHICH CASE THE TERMS “ACCOUNT” OR “SUBSCRIBER” SHALL REFER TO SUCH ENTITY AND ITS AFFILIATES. IF THE INDIVIDUAL ACCEPTING THIS AGREEMENT DOES NOT HAVE SUCH AUTHORITY OR DOES NOT AGREE WITH THE TERMS AND CONDITIONS SET FORTH HEREIN, THE INDIVIDUAL MUST NOT ACCEPT THIS AGREEMENT AND MAY NOT USE THE OFFERING.

**Section 1.0      Ordering and Use of Offerings****1.1      Company Cloud Service; Subscriber-Hosted Software.**

(a)      **Company Cloud Service.** Unless otherwise specified on an applicable Order, an Offering of Cloud Service shall be provided as Company-hosted, online cloud service. Company grants Subscriber a non-exclusive and non-transferable right to access and use the Offering for Subscriber’s internal business purposes during the Subscription Term solely in accordance with this Agreement.

(b)      **Subscriber-Hosted Software.** Where an applicable Order sets forth a Subscriber-Hosted Software Offering, subject to the provisions of this Agreement, Company grants Subscriber a non-exclusive and non-transferable license (with no right to sublicense) to install and use the Offering for the Subscription Term. In respect of such Subscriber-Hosted Software Offering:

- (i)      Subscriber is responsible for installing and implementing the Subscriber-Hosted Software and any updates, enhancements or modifications, except for any Professional Services set forth on an applicable Order (i.e., implementation).
- (ii)      Subject to the terms of this Agreement, Subscriber may create copies of the Subscriber-Hosted Software to the extent strictly necessary to install and operate the Subscriber-Hosted Software for use in accordance with this Agreement, and to create backup and archival copies to the extent reasonably required in the normal operation of Subscriber systems. All such copies must include a reproduction of all copyright, trademarks or other proprietary notices contained in the original copy of the Subscriber-Hosted Software.
- (iii)      Subscriber is responsible for providing the Environment and ensuring the Environment functions properly, and for implementing appropriate data backup and security measures. “Environment” means the systems, networks, servers, equipment, hardware, software and other material specified in Documentation or an Order on which, or in connection with which, the Subscriber-Hosted Service will be used.

**1.2      Ordering.**

(a)      **Ordering.** The parties may enter into one or more Orders under this Agreement. Each Order is binding on the parties and is governed by the terms of this Agreement and all applicable addenda. Pursuant to an Order, Company shall grant Subscriber Account Users access or use of the Offerings during the applicable Subscription Term, including all Content contained in or made available through the Cloud Service(s). Affiliates of either party may conduct business under this Agreement by executing an Order that references this Agreement’s terms.

(b)      **Account Setup.** To subscribe to the Cloud Service, Subscriber must establish its Account, which may only be accessed and used by its Account Users in accordance with any number and categories of users as set forth on the Order. To setup an Account User, Subscriber agrees to provide true and accurate information for such Account Users. Each Account User must establish and maintain personal, non-transferable Access Credentials, which shall not be shared with, or used by, any other individual. Subscriber must not create Account User(s) in a manner that intends to or has the effect of avoiding Fees, circumvents thresholds with the Account, or intends to violate the Agreement. Subscriber acknowledges that Account Users that submit declarations, notifications or orders to Company are acting on Subscriber’s behalf.

(c)      **Subscriber Responsibilities.** Subscriber agrees that it shall use the Offering(s) solely for internal business purposes, and access and use of the Cloud Service(s) shall be limited to Account Users. Subscriber will ensure that its Account Users shall comply with Subscriber’s obligations under this Agreement whether they are accessing Cloud Services on Subscriber’s behalf, at Subscriber’s invitation or by invitation of a Subscriber Account User. If Subscriber becomes aware of any violation of this Agreement by a user or any unauthorized access to any user account, Subscriber will immediately notify Company and terminate the relevant Account User or user account’s access to the Cloud Service. Subscriber is responsible for any act or failure to act by any Account User or any person using or accessing the account of a user in connection with this Agreement. Subscriber acknowledges and agrees that Account Users who submit declarations, notifications or orders to Company are acting on behalf of Subscriber’s behalf. Further, Subscriber shall: (i) be solely responsible for the accuracy, and appropriateness of all Subscriber Data and Subscriber Content created by Account Users using the Cloud Service; (ii) access and use the Cloud Service solely in compliance with any applicable Documentation and all applicable laws, rules, directives and regulations (including those relating to export, homeland security, anti-terrorism, data protection and privacy); (iii) allow e-mail notifications generated by the Cloud Service on behalf of Subscriber’s Account Users to be delivered to Subscriber’s Account Users; and (vi) take responsibility for the security of Subscriber’s systems, including the software on Subscriber’s systems, and take commercially reasonable steps to exclude malware, viruses, spyware and trojans from Cloud Services.

(d)      **Usage Restrictions.** Subscriber agrees that it shall not, and shall not permit any Account User or Third Party accessing by, through or at Subscriber direction, or on its behalf to, directly or indirectly: (i) modify, copy, create derivative works or attempt to derive the source code of the Cloud Service; (ii) assign, sublicense, distribute or otherwise make available the Cloud Service, to any Third Party, including on a timesharing, software-as-a-service or other similar basis; (iii) share Access Credentials or otherwise allow access or use the Cloud Service to provide any service bureau services or any services on a similar basis; (iv) use the Cloud Service in a way not authorized in writing by Company or for any unlawful purpose; (v) use the Cloud Service to store or transmit infringing, libelous, or otherwise unlawful or tortious material, or to store or transmit material in violation of Third Party privacy rights; (vi) attempt to tamper with, alter, disable, override, or circumvent any security, reliability, integrity, accounting or other mechanism, restriction or requirement of the Cloud Service; (vii) remove, obscure or alter any copyright, trademark, patent or proprietary notice affixed or displayed by or in the Cloud Service; (viii) perform load tests, network scans, penetration tests, ethical hacks or any other security auditing procedures on the Cloud Service; (ix) interfere with or disrupt the integrity or performance of the Cloud Service or the data contained therein; (x) access or use the Cloud Service in order to replicate applications, products or services offered by Company and/or otherwise build a competitive product or service, copy any features, functions or graphics of the Cloud Service or monitor the availability and/or functionality of the Cloud Service for any benchmarking or competitive purposes; (xi) under any circumstances, through a Third Party application, a Subscriber application or otherwise, repackage or resell the Cloud Service, or any Company Content; (xii) store, manipulate, analyze, reformat, print, and display Company Content for personal use; and (xiii) upload or insert code, scripts, batch files or any other form of

scripting or coding into the Cloud Service. Notwithstanding the foregoing restrictions, in the event Subscriber has purchased a Cloud Service for Commercial Use (as such term is defined below), Subscriber shall be permitted to use the Cloud Service to provide Third Party services in cases where such Third Parties access the Subscriber provided applications or services, but where such Third Parties do not have the ability to install, configure, manage or have direct access to the Cloud Services. Company hereby agrees, subject to payment of the applicable fees, to permit such use and the terms of this Agreement, including references to “internal use” and/or “internal business operations” shall be deemed to include and permit such use (hereafter referred to as “Commercial Use”).

(e) **Additional Guidelines.** Company reserves the right to establish, modify, discontinue or substitute its Cloud Service offerings, general practices and limits concerning use of the Cloud Service from time to time. Company also reserves the right to block IP addresses originating a Denial of Service (DoS) attack. Company shall notify Subscriber should this condition exist and inform Subscriber of its action. Once blocked, an IP address shall not be able to access the Cloud Service and the block may be removed once Company is satisfied corrective action has taken place to resolve the issue.

(f) **Use of Messaging Services.** Subscriber may use Cloud Service to send emails and messages to users and third parties. Subscriber is solely responsible for any such message and their content. Messages may be blocked, delayed, or prevented from being delivered by destination servers and other reasons outside Company’s control, and there is no warranty that messages will reach their intended destination in a given timeframe. .

(g) **Previews, No-Charge Offerings.** From time to time, Company may make Offerings available to Subscribers at no charge or allow features or services at no extra charge as part of Cloud Services prior to their general release that are labeled or communicated as “Previews”. Subscriber may choose to try such Previews or not in its sole discretion. Use of Previews is at Subscriber’s sole risk and may contain bugs or errors. Subscriber may discontinue use of the Previews at any time, in its sole discretion. Further, Company may discontinue all Previews availability at any time in its sole discretion without notice. Previews and No-Charge Offerings are provided on an “as-is” basis and “as available” basis, without any warranties of any kind.

### **1.3 Proprietary Rights.**

(a) All Cloud Service, non-public Documentation and Company Content are trade secrets of Company and its licensors. Company or its licensors retains all ownership right, title, and interest in and to Brightly IP, including the Cloud Service, its Documentation and Company Content, and all corrections, enhancements, improvements to, or derivative works thereof without limitation (collectively, “Derivative Works”), and in all Brightly IP therein or thereto. To the extent any Derivative Work is developed by Company based upon ideas or suggestions submitted by Subscriber to Company, Subscriber hereby irrevocably assigns all rights to use and incorporate Subscriber’s feedback, including but not limited to suggestions, enhancement requests, recommendations and corrections (the “Feedback”) relating to the Cloud Service, together with all Brightly IP related to such Derivative Works. Nothing contained in this Agreement shall be construed to convey to Subscriber (or to any party claiming through Subscriber) any Brightly IP rights other than the rights expressly set forth in this Agreement. Company reserves all rights in the Offerings and Brightly IP not expressly granted in this Agreement.

(b) Company acknowledges and agrees that Subscriber retains all ownership right, title, and interest in and to the Subscriber Data and Subscriber Content, including all intellectual property rights therein or thereto. Notwithstanding the foregoing, Subscriber hereby grants Company and its Affiliates a non-exclusive, royalty-free license to access, display, copy, distribute, transmit, publish, disclose and otherwise use all or any portion of Subscriber Data and Subscriber Content to fulfill its obligations under this Agreement. Company recommends Subscriber confirm the geographic area in which Subscriber Data will be stored, which may be outside the country in which Subscriber is located. Subscriber will ensure that Subscriber Data can be processed and used as contemplated by this Agreement without violating any rights of others or any laws or regulations.

(c) Subscriber acknowledges the Cloud Services may utilize, embed or incorporate Third Party software and/or tools (each, a “Third Party Tool”) under a license granted to Company by one or more applicable Third Parties (each, a “Third Party Licensor”), which licenses Company the right to sublicense the use of the Third Party Tool solely as part of the Cloud Services. Third Party Tools shall be specified in any applicable Documentation, Offering or statement of work. In the event of a conflict between the Third Party terms and conditions and this Agreement, the Third Party terms and conditions control with regard to the relevant Third Party Tool. Each such sublicense is nonexclusive and solely for Subscriber’s internal use and Subscriber shall not further resell, re-license, or grant any other rights to use such sublicense to any Third Party. Subscriber further acknowledges that each Third Party Licensor retains all right, title, and interest to its applicable Third Party Tool and all documentation related to such Third Party Tool. All confidential or proprietary information of each Third Party Licensor is Confidential Information of Company under the terms of this Agreement and shall be protected in accordance with the terms of Section 7.

## **Section 2.0 Company Responsibilities**

**2.1 Professional Services.** To the extent Professional Services are included in the applicable Order and/or described in one or more statements of work, Subscriber agrees to abide by Company’s Professional Services Addendum. Each statement of work shall be effective, incorporated into and form a part of this Agreement when duly executed by an authorized representative of each of the parties. Each statement of work shall (i) describe the fees and payment terms with respect to the Professional Services being provided pursuant to such statement of work, (ii) identify any work product that will be developed pursuant to such statement of work, and (iii) if applicable, set forth each party’s respective ownership and proprietary rights with respect to any work product developed pursuant to such statement of work.

**2.2 Service Levels.** Company shall use commercially reasonable efforts to make the Cloud Service available 99.9% of the time for each full calendar month during the Subscription Term, determined on twenty-four (24) hours a day, seven (7) days a week basis (the “Service Standard”). The Service Standard availability for access and use by Subscriber(s) excludes unavailability when due to: (a) any access to or use of the Cloud Service by Subscriber or any Account User that does not strictly comply with the terms of the Agreement or the Documentation; (b) any failure of performance caused in whole or in part by Subscriber’s delay in performing, or failure to perform, any of its obligations under the Agreement; (c) Subscriber’s or its Account User’s Internet connectivity; (d) any Force Majeure Event; (e) any failure, interruption, outage, or other problem with internet service or non-Cloud Service; (f) Scheduled Downtime; or (g) any disabling, suspension, or termination of the Cloud Service by Company pursuant to the terms of the Agreement. “Scheduled Downtime” means, with respect to any applicable Cloud Service, the total amount of time (measured in minutes) during an applicable calendar month when such Cloud Service is unavailable for the majority of Subscribers’ Account Users due to planned Cloud Service maintenance. To the extent reasonably practicable, Company shall use reasonable efforts to provide eight (8) hours prior electronic notice of Cloud Service maintenance events and schedule such Cloud Service maintenance events outside the applicable business hours.

**2.3 Security and Data Privacy.** Each party shall comply with applicable data privacy laws governing the protection of personal data in relation to their respective obligations under this Agreement. Where Company acts as Subscriber’s processor of personal data provided by Subscriber, the data is subject to Company’s Privacy Policy, which can be viewed by clicking the “Privacy” hypertext link located within the Cloud Service. By using the Cloud Service, Subscriber accepts and agrees to be bound and abide by such Privacy Policy. At all times during the Subscription term and upon written request of Subscriber within thirty (30) days after the effective date of termination or expiration of this Agreement, Subscriber Content shall be available for Subscriber’s export and download. In accordance with applicable data privacy laws following that initial period, Company shall not be obligated to maintain Subscriber Data nor Subscriber Content and may delete or destroy what remains in its possession or control.

(a) If applicable in the United States, if Subscriber is a “Covered Entity” under the Health Insurance Portability and Accountability Act of 1996 (as amended from time to time, “HIPAA”), and if Subscriber must reasonably provide protected health information as defined by HIPAA in order to use the Cloud Services, Company shall be Subscriber’s “Business Associate” under HIPAA, and Company and Subscriber shall enter into a Business Associate Agreement (the form of which shall be reasonably

satisfactory to Company).

(b) If applicable in the United Kingdom, Switzerland or European Economic Area (EEA), both parties will comply with the applicable requirements of Data Protection Legislation. “Data Protection Legislation” means (i) the United Kingdom’s Data Protection Act 2018, and (ii) the General Data Protection Regulation (“GDPR”) and any national implementing laws, regulations or secondary legislation. Company and Subscriber agree that Company will not be processing any personal data on behalf of the Subscriber as “Data Controller” (defined in accordance with the Data Protection Legislation). Company will collect, use, disclose, transfer and store personal information when needed to administer this Agreement and for its operational and business purposes, in accordance with Data Protection Legislation. To the extent personal data from the UK, Switzerland or the EEA are processed by Company, the terms of a data processing addendum (“DPA”) must be signed by the parties. To the extent Company processes personal data, its binding corporate rules and the standard contract clauses shall apply, as set forth in the DPA. For standard contract clauses, Subscriber and Company agree that Subscriber is the data exporter and Subscriber’s acceptance of this Agreement or applicable Order shall be treated as its execution of the standard contract clauses.

### Section 3.0 Third Party Interactions

**3.1 Relationship to Third Parties.** In connection with Subscriber’s use of the Cloud Service, at Subscriber’s discretion, Subscriber may: (i) participate in Third Party promotions through the Cloud Service; (ii) purchase Third Party goods and/or services, including implementation, customization, content, forms, schedules, integration and other services; (iii) exchange data, integrate, or interact between Subscriber’s Account, the Cloud Service, its application programming interface (“API”) and a Third Party provider; (iv) receive additional functionality within the user interface of the Cloud Service through use of the API; and/or (v) receive content, knowledge, subject matter expertise in the creation of forms, content and schedules. Any such activity, and any terms, conditions, warranties or representations associated with such Third Party activity, shall be solely between Subscriber and the applicable Third Party. Company shall have no liability, obligation or responsibility for any such Third Party correspondence, purchase, promotion, data exchange, integration or interaction. Company does not warrant any Third Party providers or any of their products or services, whether or not such products or services are designated by Company as “certified,” “validated,” “premier” and/or any other designation. Company does not endorse any sites on the Internet that are linked through the Cloud Service.

**3.2 Ownership.** As between Subscriber and Company, Subscriber is the owner of all Third Party Content loaded into the Subscriber Account. As the owner, it is Subscriber’s responsibility to make sure it meets its particular needs. Company shall not comment, edit or advise Subscriber with respect to such Third Party Content in any manner.

### Section 4.0 Fees and Payment.

**4.1 Fees.** Subscriber shall pay to Company all fees specified in Orders. Except as otherwise stated on the Order: (i) Subscription Fees are based on Cloud Services subscriptions purchased, (ii) all Subscription Fee payment obligations are non-refundable and non-cancelable, and (iii) quantities purchased cannot be decreased during the relevant Subscription Term. The Subscription Fee for such Cloud Service subscription shall be invoiced upon commencement of the Term. Thereafter, Company shall make reasonable efforts to invoice Subscriber for each applicable Subscription Fee sixty (60) days prior to its commencement. Unless Subscriber provides written notice of termination in accordance with Section 5.1, Subscriber agrees to pay all fees. Subscriber is responsible for providing complete and accurate billing and contact information to Company and notifying Company promptly of any changes to such information.

**4.2 Automatic Payments.** If Subscriber is paying by credit card or Automated Clearing House (“ACH”), Subscriber shall establish and maintain valid and updated credit card information or a valid ACH auto debit account (in each case, the “Automatic Payment Method”). Upon establishment of such Automatic Payment Method, Company is hereby authorized to charge any applicable Subscription Fee using such Automatic Payment Method.

**4.3 Overdue Charges.** If any invoiced amount is not received by Company by the due date, without limiting Company’s rights or remedies, those overdue charges may accrue late interest at the rate of 1.5% of the outstanding balance per month, or the maximum amount permitted by law, whichever is lower. Company reserves the right to condition an overdue Account’s future subscription renewals and Orders on shorter payment terms than those stated herein.

**4.4 Taxes.** Company’s fees do not include any taxes, levies, duties or similar governmental assessments of any nature, including, for example, value-added, sales, use or withholding taxes, assessable by any jurisdiction whatsoever (collectively, “Taxes”). Subscriber is responsible for paying all Taxes associated with its purchases hereunder. If Company has the legal obligation to pay or collect Taxes for which Subscriber is responsible under

this Section 4.4, Company shall invoice Subscriber and Subscriber shall pay that amount unless Subscriber provides Company with a valid tax exemption certificate, direct pay permit, or other government-approved documentation. Notwithstanding the foregoing, Customer is responsible for, and, to the extent permitted by law, will indemnify Company for: 1) any encumbrance, fine, penalty or other expense which Company may incur as a result of Subscriber’s failure to pay any Taxes required hereunder, and 2) any Taxes, including withholding taxes, resulting from making an Offering available to Users in geographic locations outside the country in which Subscriber is located as per the Order. For clarity, Company is solely responsible for taxes assessable against Company based on its income, property and employees.

**4.5 Purchases through Resellers.** In the event Subscriber purchases the Cloud Services (including any renewals thereof) through an authorized reseller of Company, the terms and conditions of this Agreement shall apply and supersede any other agreement except for any terms and conditions related to fees, payment or Taxes. Such terms and conditions shall be negotiated solely by and between Subscriber and such authorized reseller. In the event Subscriber ceases to pay the reseller, or terminates its agreement with the reseller, Company shall have the right to terminate Subscriber’s access to the Cloud Services at any time upon thirty (30) days’ prior written notice to Subscriber unless Subscriber and Company have agreed otherwise in writing.

### Section 5.0 Term and Termination

**5.1 Subscription Term.** This Agreement will commence on the Effective Date set forth on the Order and continues until the Offerings hereunder have expired or have been terminated (the “Subscription Term”). Thereafter, except as stated on an applicable Order, the Subscription Term shall automatically renew for additional periods equal to the expiring Subscription Term or one year, whichever is longer, unless either party has provided written notice of its intent to terminate the Cloud Service subscription not less than forty-five (45) days prior to the expiration of the then-current Subscription Term applicable to the Cloud Service subscription.

**5.2 Termination.** Neither party will terminate an Order for convenience during the applicable Subscription Term. Either party may terminate this Agreement (in whole or with respect to an Order or purchased from a reseller) by notice to the other party if (i) the other party commits a material breach of this Agreement and fails to cure such breach within thirty (30) days (except in the case of a breach of Section 7 in which case no cure period will apply) or (ii) the other party becomes the subject of a petition in bankruptcy or other similar proceeding. Company may, at its option, and without limiting its other remedies, suspend (rather than terminate) any Cloud Services if Subscriber breaches the Agreement (including with respect to payment of Fees) until the breach is remedied.

**5.3 Effect of Termination.** Upon expiration of the applicable Subscription Term, or termination of any Order for one or more Offerings or this Agreement for any reason, Subscriber’s right to access, use or receive the affected Order or Offering automatically terminates. Subscriber shall immediately cease using the Order or Offering, remove and destroy all Offerings and other Company Confidential Information relating to the Order in its possession or control, and certify such removal and destruction in writing to Company. Termination or suspension of an individual Order or reseller purchase will not terminate or suspend any other Order, reseller

purchase or the remainder of the Agreement unless specified in the notice of termination or suspension. If the Agreement is terminated in whole, all outstanding Order(s) and reseller purchases will terminate. If this Agreement, any Order or reseller purchase is terminated, Subscriber agrees to pay all Fees owed up to the effective date of termination.

**5.4 Survival.** The following portions of this Agreement shall survive termination of this Agreement and continue in full force and effect: Sections 1, 2.3, 5.3, 6, 7, 8 and 9.

## **Section 6.0 Representations, Warranties and Disclaimers**

**6.1 Representations.** Each party represents that: (i) it has full right, title and authority to enter into this Agreement; and (ii) this Agreement constitutes a legal, valid and binding obligation of Subscriber, enforceable against it in accordance with its terms.

### **6.2 Warranties.**

(a) Company warrants that Cloud Service will perform in accordance with the features and functions described in the applicable Documentation. To the extent permitted by law, Subscriber's exclusive remedy and Company's entire liability for a breach of this warranty in Section 6.2(a), at its option: (i) will use commercially reasonable efforts to restore the non-conforming Cloud Services so that they comply with this warranty, or (ii) if such restoration would not be commercially reasonable, Company may terminate the Order for the non-conforming Offering and refund any prepaid fees paid for such Offering. The warranty excludes: (a) no charge Offerings or Previews, and (b) issues, problems or defects arising from Third Party Content, Subscriber Data or Content, or use of Cloud Service not in accordance with this Agreement.

(b) Company represents and warrants that all such Professional Services shall be performed in a professional and workmanlike manner in accordance with generally accepted industry standards. For any breach of this warranty in Section 6.2(b), Subscriber's exclusive remedy and Company's entire liability shall be the performance of the applicable Professional Services.

(c) Company makes only the limited warranties expressly stated in this Agreement, and disclaims all other warranties, including without limitation, the implied warranties of merchantability and fitness for a particular purpose. Company does not warrant or otherwise guarantee that: (i) reported errors will be corrected or support requests will be resolved to meet Subscribers' needs, (ii) any Order or Third Party Content will be uninterrupted, error free, fail-safe, fault-tolerant, or free of harmful components, or (iii) any Content, including Subscriber and Third Party Content, will be secure or not otherwise lost or damaged. Representations about Orders or features or functionality in any communication with Subscriber constitutes technical information, not a warranty or guarantee.

(d) Company's Cloud Services have not been tested in all situations under which they may be used. Subscriber is solely responsible for determining the appropriate uses for the Cloud Services and the results of such use; Company will not be liable for the results obtained through Subscriber's use of the Cloud Services. Company's Cloud Services are not specifically designed or intended for use in (i) storage of sensitive, personal information, (ii) direct life support systems, (iii) nuclear facility operations, or (iv) any other similar hazardous environment.

### **6.3 Intellectual Property Indemnification.**

(a) *Indemnity by Company.* Company shall defend and indemnify Subscriber from any loss, damage or expense (including reasonable attorneys' fees) awarded by a court of competent jurisdiction, or paid in accordance with a settlement agreement signed by Subscriber, in connection with any Third Party claim (each, a "Claim") alleging that Subscriber's use of the Cloud Service as expressly permitted hereunder infringes upon any intellectual property rights, patent, copyright or trademark of such Third Party, or misappropriates the trade secret of such Third Party; provided that Subscriber: (x) promptly gives Company written notice of the Claim; (y) gives Company sole control of the defense and settlement of the Claim; and (z) provides to Company all reasonable assistance, at Company's expense. If Company receives information about an infringement or misappropriation claim related to the Cloud Service, Company may in its sole discretion and at no cost to Subscriber: (i) modify the Cloud Service so that it no longer infringes or misappropriates, (ii) obtain a license for Subscriber's continued use of the Cloud Service, or (iii) terminate this Agreement (including Subscriber's Cloud Service subscriptions and Account) upon prior written notice and refund to Subscriber any prepaid Subscription Fee covering the remainder of the Term of the terminated Cloud Service subscriptions. Notwithstanding the foregoing, Company shall have no liability or obligation with respect to any Claim that is based upon or arises out of (A) use of the Cloud Service in combination with any software or hardware not expressly authorized by Company, (B) any modifications or configurations made to the Cloud Service by Subscriber without the prior written consent of Company, and/or (C) any action taken by Subscriber relating to use of the Cloud Service that is not permitted under the terms of this Agreement. This Section 6.3(a) states Subscriber's exclusive remedy against Company for any Claim of infringement or misappropriation of a Third Party's intellectual property rights related to or arising from Subscriber's use of the Cloud Service.

(b) To the extent permitted by law, Subscriber shall defend and indemnify Company from any loss, damage or expense (including reasonable attorneys' fees) awarded by a court of competent jurisdiction, or paid in accordance with a settlement agreement signed by Company, in connection with any Claim alleging that the Subscriber Data or Content, or Subscriber's use of the Cloud Service in breach of this Agreement, infringes upon any intellectual property rights, patent, copyright or trademark of such Third Party, or misappropriates the trade secret of such Third Party; unless applicable laws prohibit public entities from such indemnification and provided that Company (x) promptly gives Subscriber written notice of the Claim; (y) gives Subscriber sole control of the defense and settlement of the Claim; and (z) provides to Subscriber all reasonable assistance, at Subscriber's expense. This Section 6.3(b) states Company's exclusive remedy against Subscriber for any Claim of infringement of misappropriation of a Third Party's intellectual property rights related to or arising from the Subscriber Data or Subscriber's use of the Cloud Service.

### **6.4 Limitation of Liability.**

(a) **The entire, aggregate liability of Company is limited to the amount of Subscription Fees paid by Subscriber to Company pursuant to this applicable Order during the twelve (12) months prior to the first act or omission giving rise to the liability. This does not apply to the Company's intellectual property indemnification obligations in Section 6.3.**

(b) **Under no circumstances will Company be liable for (i) any indirect, incidental, consequential, special exemplary or punitive damages, loss of production or data, interruption of operations or lost revenue or profits, even if such damages were foreseeable, or (ii) any Previews or No-Charge Offerings.**

(c) **Company will not be liable for any claim in connection with this Agreement if such claim is brought more than two (2) years after the first event giving rise to such claim is or should have been discovered by Subscriber.**

(d) **The limitations and exclusions of this Section 6.4 apply to: (i) benefit of Company and its affiliates, and their respective officers, directors, licensors, subcontractors and representatives, and (ii) regardless of the form of action, whether based in contract, statute, tort (including negligence), or otherwise.**

(e) **The foregoing limitations and exclusions will not apply to the extent that liability cannot be limited or excluded in accordance with applicable law. Nothing in this Section shall limit Subscriber's payment obligations under Section 4.**

## **Section 7.0 Confidentiality**

**7.1 Definition of Confidential Information.** "Confidential Information" means any non-public information and/or materials maintained in confidence and disclosed in any form or medium by a party under this Agreement (the "Disclosing Party") to the other party (the "Receiving Party"), that is identified as confidential, proprietary or that a reasonable person should have known, was the Confidential Information of the other party given the nature of the circumstances or disclosure, or as otherwise defined as Confidential Information, trade secrets, proprietary business information as provided under applicable state law and any information marked by a party as exempted from disclosure by the applicable statute. **7.2 Protection of Confidential Information.** The Receiving Party agrees that it shall: (i) use the Confidential Information solely for a purpose permitted by this Agreement, (ii) use the same degree of care as Receiving Party uses with its own Confidential Information, but no less than reasonable care, to protect Confidential Information and to prevent any unauthorized access, reproduction, disclosure, or use of any of Confidential Information; and (iii) restrict access to the Confidential Information of the Disclosing Party to those of its Affiliates and its and their employees, contractors and agents who need such access for purposes consistent with this Agreement and who are prohibited from disclosing the information by a contractual, legal or fiduciary obligation no less restrictive than this Agreement. **7.4 Records Requests.** To the extent permitted by law, Subscriber shall treat as exempt from treatment as a public record, and shall not unlawfully disclose in response to a request made pursuant to any applicable public records law, any of Company's Confidential Information. Upon receiving a request to produce records under any applicable public records or similar law, Subscriber shall immediately notify Company and provide such reasonable cooperation as requested by Company and permitted by law to oppose production or release of such Company Confidential Information.

Receiving Party acknowledges that Disclosing Party would have no adequate remedy at law should Receiving Party breach its obligations relating to Confidential Information and agrees that Disclosing Party shall be entitled to enforce its rights by obtaining appropriate equitable relief, including without limitation a temporary restraining order and an injunction.

## Section 8.0 Export Control Compliance

**8.1 General.** Subscriber shall comply with all applicable sanctions, embargoes and (re-)export control regulations, and, in any event, with those of the European Union, the United States of America and any locally applicable jurisdiction(s) (collectively "Export Regulations").
